

TRINITY EPISCOPAL CHURCH

THE REV. DR. N. NICHOLAS SICHANGI
SEPTEMBER 2018

Tidings

Senior Warden's Message

Welcome back from the busy summer to another busy church season. We have several activities coming up so please mark your calendars and plan to attend.

As part of our shared ministry we will be hosting a picnic on September 22nd at 4:00. A signup sheet is in the back of the church so that we can know how many people are coming and what everyone is going to contribute. So, between the good cooks at Trinity and St. Stephens it should be a time for special food and fellowship.

On October 6th we'll have a blessing of the animals. So please bring your well loved pets for their special blessing!

The Women of Trinity will host a Spaghetti Dinner on October 20th from 4:00 to 6:30 to help with their fund raising efforts. They contribute greatly to the ministry of Trinity so let's come out and support this good cause.

We are still in critical need of people to serve as ushers, acolytes, readers and chalice bearers. These positions are important parts of our ministry and a wonderful way to serve the church. Father Nicholas can train anyone who is interested in being a chalice bearer. Please prayerfully consider volunteering for one of these roles in our service.

We want to continue to stay busy in many ways and we're off to a good start. Please contact me with any additional ideas of ways to keep Trinity moving forward.

Blessings,
Gayle

Beginning this month, Trinity will begin its Stewardship Campaign looking forward to 2019. It is interesting to note that the topics discussed in the 1956 Campaign are similar to current concerns which we will address as this year's campaign progresses. See above the Stewardship campaign from 1956.

Parish House Repairs

The Vestry has approved the Church and Parish House repairs to be done by Leelands Slate Roof Company for \$15,158.38 that will be done this Fall. The following repairs are: Parish House: Ridge Cap painting, Gutter replacement, Parish House right side, and Gutter repair .Parish House left side Church: Ridge Cap painting, Wooden Cross repairs, Bell Tower Roof Top metal painting, and Bell Tower flashing replacement. The above plus earlier Church slate roof repair and Parish House roof replacement will fix the most critical Church exterior repair needs and restore appearance.

All this will help keep Trinity the beautiful church that it is. Your contributions to the Capital Campaign made all this possible.

Thank you,
~Richard Lemen

INVITE*WELCOME*CONNECT

The ministry of INVITE*WELCOME*CONNECT developed by Mary Palmer of the Diocese of Texas and endorsed by Presiding Bishop, Michael Curry, has been adapted for use at Trinity Episcopal Church, Elkton. A team of seven parishioners have worked to understand the details of this ministry and to review how other Episcopal Churches have used it in their Parish. The goal has been to improve each aspect of are own unique hospitality to be better recognized as a friendly community and not necessarily a community of friends.

The Vestry and Rector have been apprised of the effort of the team and both are supportive of the effort. Contributions and participation by both can be expected as they keep abreast of this ministry.

The initial implementation of this ministry has begun. A 'Welcome Table' in the Parish Hall at coffee hour after the 10:30 AM Sunday Worship Service will be hosted by Team members and other volunteers. Questions from visitors, guests, newcomers, or just curious parishioners about this ministry will be answered at this time.

While the team is now in place and the Vestry is supportive of the effort the remaining key element for the success of this ministry is **YOU**, the Trinity Parishioner. We are in need of every parishioner to participate in a focused and sincere manner to offer their own personal hospitality to those now exploring Trinity Church as a possible place to worship and serve.

Thank you in advance for giving your consideration to this ministry.

May the Peace of the Lord be with you.
