The just concluded Diocesan Convention and sesquicentennial celebration was the most unique one ever celebrated on the Eastern shores of Maryland. The workshops facilitated by Rev. Canon Stephanie Speller, Jerusalem Greer, and Rev. Jay Sidebotham were very transformative and inspiring. For many, this was a golden opportunity to hear the presiding bishop teach and preach about the most emphasized movement, “The Jesus Movement, or The Way of Jesus.” The movement is defined as “the ongoing community of people who center their lives on Jesus and who follow him into a loving, liberating, and life -giving relationship with God, each other, and creation.”

Those who center their lives on Jesus and follow him have a dream because God had a dream say his grace. God’s dream is “Love.” Because God’s dream is Love, the dream has been spread in all creation and hence this has become the mission of the Church. Love is liberating and life giving. Without love we are like ringing gongs.... (1 Corinthians 13:2).

In his sermon Bishop Curry said, “As has never been before, we need folks who are to be witnesses of the way of Jesus of Nazareth, witnesses of the way of love, and witness of a kind of Christianity that looks something like Jesus.” (Acts 1:8) Without love we will have hatred. Hatred and love are two opposite poles.

To be witnesses of God’s Love, we have to focus on the work of renewal. In his ten year project, our diocesan bishop has come up with a conversation document in which he has a vision for our diocese. In order to continue being instruments of God’s dream we have to embark on the spiritual journey that focuses on the “goodness and loving kindness of God. This spiritual journey invites us to a desire for interior spiritual growth that seeks to deepen our intimate relationship with Jesus Christ”, said Bishop San.

Let us therefore begin this journey of seeking God’s dream, purpose, and plan for our lives by committing ourselves to a discipline of meditation and prayer in this Lenten Season.

May God’s redeeming grace be upon you.

### *Senior Warden's Message*

Even though it feels as though we're still in the middle of winter, the calendar tells us that spring is not far off. I think we'll all welcome the renewal that spring brings to us.

Helping that along for me was attending the 150th Celebration at the Diocesan Convention. Hearing the Presiding Bishop speak about "witnessing" was both inspirational and a call to action. Bishop Curry's words rang true and gave me pause to think about where we are in terms of bringing growth to Trinity. I would like to hear from you as members of this Parish on ways to get our mission out to people in the community.

One of the ways that we can reach people is through events where we invite the community to join us for a fundraiser meal or other fellowship opportunities. We are in need of parishioners who would be willing to brainstorm and come up with ideas for fundraising and for getting people in the doors so that we can Invite, Welcome and Connect with them. Please consider this important ministry and let me know if you're willing to help in any way.

My hope is that we'll be able to show Bishop Curry's sermon to everyone at some point. It's certainly inspirational and entertaining at the same time. Look for that happening!

Have a wonderful end of winter and beginning of spring.

Blessings,  
Gayle

### Lenten Program

Our Lenten Program this

season is "Getting Started on The Way of Love - A Quiet Day Curriculum." The program was developed by the communication group of The Episcopal Church and endorsed by Presiding Bishop Michael Curry. His comments can be viewed on the website

[www.episcopalchurch.org/wavoflove](http://www.episcopalchurch.org/wavoflove)

The program begins on Wednesday, March 20, at noon - 2 PM in the Parish Hall. It will continue for each Wednesday, on March 27, April 3, and conclude on April 10 at same time mentioned above.

A simple pot luck lunch consisting of vegetarian soup, bread, and a beverage will be offered at the start of each Wednesday meeting. Each participant is asked to bring a can of vegetarian soup which will be combined in a single pot, heated, and served to the group at noon.

A sign up sheet for this program has been placed in the Parish Hall on the Vestry bulletin board. Please sign this sheet if you are interested in participating in this program.

### Vigil Candle Sponsorship

You can sponsor the Vigil candle for a week for a donation of \$10.00. This sponsorship is to the Glory of God, and can be in memory of, or in thanksgiving for people or events in your life. Simply fill out the form in the pews and drop it in the plate or mail it to the church office, along with your donation of \$10.00.

The Altar Guild would like to thank the Caffey family for their generous memorial donation. The

funds have been used for the cleaning and lacquering of the altar candlesticks, the missal stand, the processional cross, and the brass vases. They look beautiful!

On April 5th Trinity is scheduled to serve lunch for the Community Kitchen. I will be needing several pots of vegetable soup and sandwiches. Dessert will

be donated by the help center. I will put up a signup sheet for food and helpers.

Thank you all.

## ***Trinity Archives***

At our Annual Meeting in January, Larry Parker discussed his review of Trinity's historical documents. During the meeting there appeared to be a lot of interest by those in attendance to see the pictures and documents.

Larry Parker, Bill Smith, Sharon Arbour, Susan Burkholder and myself have had several meetings as an Ad Hoc Archive Committee. Sharon Arbour is an experienced Archivist.

The past several weeks Sharon and Susan have been working for hours upon hours, going through all of Trinity's historical records. They are categorizing all the records, and sending copies to the Maryland State Archives, and the Diocese of Easton. Sharon is also in the process of setting up all the historical documents so that they will be preserved for posterity. As this is being done, the committee will discuss ways to copy, catalogue, and have all the documents and pictures available for Trinity's Congregation along with the Cecil County Historical Society.

Below is one of the many pictures found in these documents. More to come!!
